

CLUB MODELS

Rotary is a global network of 1.2 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. The criteria for membership are simple. For Rotary clubs, a member needs to be an adult – or for Rotaract clubs, a person age 18-30 – who demonstrates good character, integrity, and leadership; has a good reputation within their business or profession and community; and willing to serve in the community or have an impact elsewhere in the world. All clubs share similar values and a passion for service, but no two clubs are the same because each community has its own unique needs.
